Padamshree Prof. J.L. Gupta
4th July 1928-Forever
MS, FRCS, FICS, FAMS
Patron, National Academy of Burns, India
Formerly, Professor University of Delhi,
Consultant and Head, Dept. of Burns, Plastic
& Maxillofacial Surgery, Safdrajung Hospital,
New Delhi

Prof. (Dr.) J.L. Gupta, was a legendary figure in the field of Burns & Plastic Surgery in the country. He served as the head, Department of Burns, Plastic, Maxillofacial & Surgery, Safdrajung Hospital, New Delhi.

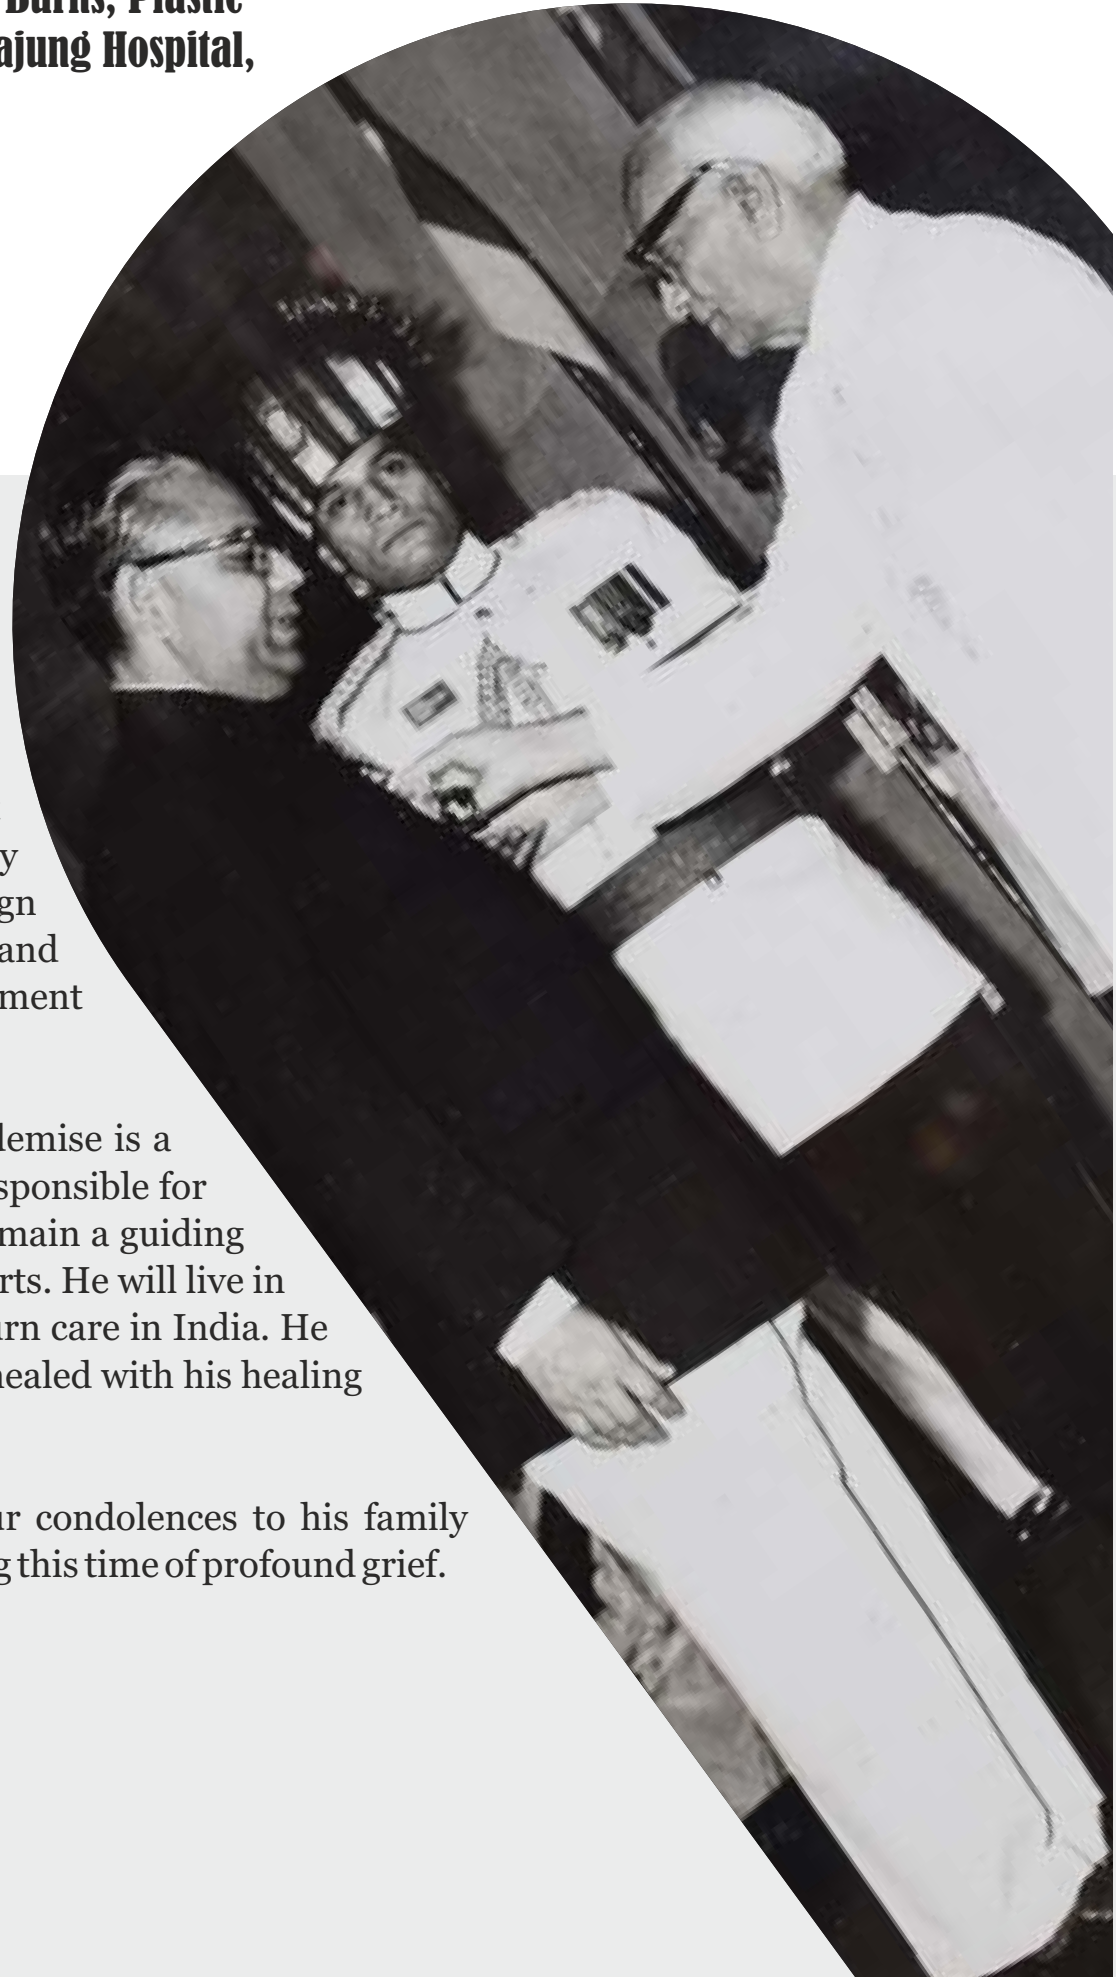

Dr. J.L. Gupta had the honour of starting and developing this department in 1963 and by his sheer hard work and dedication it became a major unit of Burns and Plastic Surgery in India in a very short time. It still is the largest burn centre in India. The campaign for a National Program for Burns was spearheaded by J L Gupta, and programme was implemented during 12th five year plan of Government of India (2012-17).

He was the recipient of the prestigious Padmshree Award. His demise is a profound loss to the nation. He was a towering figure and was responsible for the Dawn of Renaissance of burn care in India. Dr. Gupta will remain a guiding light, an inspiration for all of us and he will live forever in our hearts. He will live in the hearts of every burn professional who toil hard to advance burn care in India. He will live forever in hearts of innumerable burn victims whom he healed with his healing touch.

We on the behalf of National Academy of Burns India offer our condolences to his family members and pray to the Almighty for strength and fortitude during this time of profound grief.

May his noble soul rest in peace.

Om Shanti

President's Message

Dr S Raja Sabapathy
President

Towards obtaining a better outcome in Burns.

Thank you all for giving me the opportunity to be the President of our esteemed organization. Leadership is responsible for providing the path to what the organization stands for. Having been at the helm of affairs in various professional bodies, I found that being the President of NABI is exciting and challenging.

Exciting because, you are leading an organization which represents the burn care professionals of the country and not people belonging to one speciality. You get a different perspectives to any issue and that makes it vibrant.

Challenging because we have a long way to go in raising the average level of available burn care in the country. Richard Smith, an Hand Surgeon from Boston said, that 'Today's patient must get the best that today has to offer'. It is a great goal to aim because it does not state the best that we can offer. We have to compare our outcomes with the best that is possible today elsewhere. If we use that yardstick, we will find that the LD 50 scores of all our units will be way far from the best that is possible. Perhaps acute burn care is the only surgical field where there is very wide gap between the best possible in the world and the best possible in India. That must make us ponder. While we have at least some centres to match up with the best in the world in hand replants and transplants, complex cardiac, neuro or laparoscopic procedures, we are yet to gain that ground in acute burn care. Personally I feel convinced that if we practice the same protocols and the best practices as done in such units we should also get the same results.

I think for that we need to have a change in perspective. It has to start within. First I think we need to make our Government feel that burn care is labour and resource intensive. The CGHS rates recommended for burn care reflects the impact we have made on the Government and the people. A 50 per cent burn dressing is sanctioned a few hundred rupees and surgery for that burn a few thousand rupees. Government insurance schemes do sanction 18 to 20 lakhs for a liver transplant. I personally feel that to make a 50 % full thickness deep burn to survive it takes as much effort, labour and skill as performing a liver transplant. Government and the insurance companies also work on the basis of information and perceptions they get from professional groups. Our collective goal must be to make them consider revising the rates. The poor numbers reflect the interest in the care of the burn patient and the respect to the burn care professional and the specialty.

The burn care outcomes are poised to jump with the advent of newer skin substitutes and widespread starting of skin banks. This has the potential to change the outcomes for the better. But by themselves they can't make the difference. Ultimately, it will be in the hands of the person who uses them. Otherwise, it will be a lot of good money down the drain. This calls for training opportunities and getting bright young people into the specialty. The bright young person has also a choice. To make a person choose burns when he / she has a choice, economics will play the final card. Good outcomes, good recognition by the society and the peers are important. There will rest the future of burn care in the country.

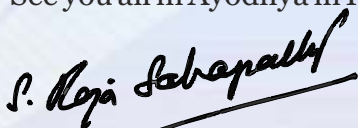

On another note, we also need to run NABI as an organization efficiently. All professional bodies now have many compliance norms to adhere. Cost of non-compliance is much more than the effort and cost of compliance. It is the duty of the present and the future leaders of the executive, to leave a robust organization to the future generation. We have done some baby steps in this regard and that should be the priority for the future.

I also thank Drs Veena and team for conducting the online educational activities. I had the pleasure of being at AIIMS, Bibinagar, Telangana for a CME on Burns organized by Dr Rohit Mula. It was a great meeting and it was wonderful to listen to the voices of senior people like Dr GV Sudhakar, Dr Lakshmi Palukari and Dr Bharatendu Swain and the ideas of young people during the breaks.

Growth also occurs when you meet personally and exchange ideas and foster friendship. Our yearly NABICONS are just the right occasions. Dr Vijayakumar and his team are taking great efforts to give us a conference to remember. Let us meet at Ayodhya from the 13th to 15th February, 2025.

It is also our proud privilege that we have our Dr Vinita Puri as the President of the Asian Pacific Burn Association and India would be hosting the 2025 congress at Goa from the 21st to 24th of August, 2025. Let us showcase to the world the work we do and shower Indian Hospitality on our visitors by attending the Asian Pacific Congress in great numbers.

See you all in Ayodhya in Feb, 2025.

Dr S Raja Sabapathy

Secretary's Message

Dr. (Prof.) Sameek Bhattacharya
Secretary

This year we lost a doyen of Burn care, Dr. J. L. Gupta. A person who had steadfastly worked towards improving Burn Care in India, must have had reasonable satisfaction that the nation has come a long way long in that direction. A National Program on Burns was started and numerous burn centers & skin banks opened up across the country and most importantly the private sector taking a significant share of burn admissions. With many governments run insurance schemes like Ayushman Bharat, a lot of poor patients can now avail basic treatment of burns in the private sector as well.

But he must have also had feeling that "miles I must travel before I rest". The prevention aspect still needs to be strengthened. At the Center, the National Program had rolled out an effective prevention strategy but health being a State subject, the implementation was to be at the state level. We as NABI members have the responsibility of sensitizing our respective state governments in this aspect. Also, we must collaborate with our community medicine colleagues to further the prevention strategies in their field practice areas.

Another aspect which needs more attention is research in burns. Members in Medical Education Institutes must promote thesis topics in burns and apply for extramural funding for research in burns.

The exclusive national program for burns i.e National Program for Prevention and Management of Burn Injuries has got subsumed in National Program for Prevention and Management of Trauma and Burn Injuries. Now it's even more important to keep our focus of the prevention part by appraising the government regarding the disease burden and changing dynamics of burn injuries. For that we must provide epidemiological data to the policy makers. Recently the ICMR Burn Task Force Study: a Multicenter Community based Prevalence Study, was a step in that direction.

On the organizational aspect of NABI, we can take pride that we have grown. Since 2018, after I held the position of Secretary, 202 new members have joined the Association. But I must say the membership is mostly taken by plastic surgeons and it is imperative that we make efforts to encourage our general surgeon colleagues and nurses to take membership of NABI. On the financial aspect during the last General Body Meeting, some important decisions were taken by restructuring the funds and awards. It's definitely a welcome step. In years to come we must aim to be financially strong and for that we must apply for 80G and aim for CSR registration.

NABICON 2025 is being organized in the holy city of Ayodhya. I appeal to all members to attend the conference, which I feel is going to be a landmark event.

At the end I must thank the August Body in bestowing on me the responsibility of Secretary, which I held for two consecutive terms. It was a fruitful experience for me. I extend my sincere gratitude to my predecessor Dr. Sujata Sarabahi, Dr. Shardendu Sharma, past Treasurer and Dr. Piyush Tayal, Treasurer for their help in running the affairs of the Association. It has been my privilege to have worked under eminent Presidents, Dr A K Singh, Dr Vinita Puri, Dr Sanjeev Uppal, Dr R K Srivastava, Dr Anant Sinha, Dr S Raja Sabapathy, their guidance and wisdom was invaluable during my tenure as Secretary. I will always be indebted to to Dr. S. P. Bajaj for his constant support and Dr. R. B. Ahuja for mentoring me.

I will always remain a committed foot soldier of the Association in years to come.

Wising you all a very happy new year.

Long live NABI

Jai Hind

Dr. (Prof.) Sameek Bhattacharya
Hony. Secretary, NABI

NEW LETTER

DECEMBER 2024

NEW DELHI

EDITION 29

From the Desk of the Treasurer

Dr. Piyush K Thayal
Treasurer NABI

Warm Greetings from New Delhi

Wishing the NABI family, a very happy, prosperous, filled with all happiness and good health in the upcoming New Year 2025. The last year witnessed an academic fiesta during the annual conference within the lawns of Ranchi Stadium and Cricket club and a lot of podcast published. The year 2024 had sad news with the demise of the patron of the association Dr J L Gupta.

This year had been a tough one with respect to consolidation of funds of the association due to non-receipt of the accounts from the sub sections – Conference organisers, Mid-term CME events. The last minute submission of accounts by the conference

NABICON 2024 within 48 hrs of due date of filing returns had been stressful as accounts had to be verified and consolidated with TDS entries available with Income tax department.

Another problem faced is the audited statements submitted is for the conference as a single event. The audit statements need to be placed based on the financial years. The conference account spills over the two financial years and hence audit statements need to be on the lines of financial years – i.e one ending on 31st March and the other for the upcoming financial year in which account is closed.

Another fact is that conferences are at present receiving the funds after the conference or the next financial year and the company files the TDS in the next financial year and the organisers need to pay attention to this.

Please find enclosed the audit statement for the FY 2023-24 and AY 2024-25 with returns being filed with great difficulty at the deadlines.

My desire to circulate the audit statement to all members before filing returns couldn't be fulfilled. But the burning desire to accomplish this still remains and hope it is done in the coming year. With the first term coming to end, I extend my sincere gratitude to the NABI family, Dr Sameek Bhattacharya the Secretary and the President's Dr R K Srivastava (2022-23), Dr Ananth Sinha (2023-24) and Dr Raja Sabapathy (2024-25) for all the guidance and support. The entire executive council for their support in discharging the duties.

We meet in the month of Feb at Ayodha with blessings of Lord Ram....

Dr Piyush K Thayal
Treasurer, NABI

2025
HAPPY NEW YEAR

Agenda

EDITION 29

Notice for Executive Committee Meeting to be held on 13 FEB 7:30 P.M. during NABICON 2025 at Hotel Krishna Palace, Ayodhya

The agenda for next EXCO meeting scheduled to be held at 7.30 p m onwards on 15th Feb during NABICON 2024, are as under:

1. Meeting called to order & Welcome note by the President.
2. Condolence, if any.
3. Achievements of the member
4. Approval of minutes of the last GB Meeting held in Coimbatore during NABICON 2023
5. Secretary's report.
6. Treasurer's report & Accounts.
7. Editor's report & Accounts.
8. Announcement of Fellowships and Awards.
9. President to present and discuss reports and recommendations by various committees
10. Discussion on any bid for Nabicon
11. Any other matter with permission of the chair.
12. Concluding remarks and thanks by the President

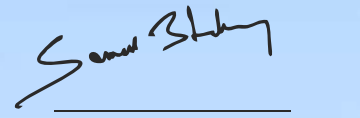

Notice for General Body Meeting to be held on 14TH FEB 2025 at 6:30 P.M. during NABICON 2025 at Hotel Krishna Palace, Ayodhya

The agenda for the next GBM of NABI scheduled to be held on 16th Feb/ 6.30 p.m. onwards during NABICON 2024 is as under:

1. Meeting called to order & Welcome note by the President.
2. Condolence, if any.
3. Achievements of the members.
4. Approval of minutes of the last General Body meeting held during Nabicon 2023 in Coimbatore
5. Secretary's report.
6. Treasurer's report & Accounts.
7. Editor's report & Accounts.
8. Announcement of Fellowships and Awards.
9. Any matters arising out of the EXCO meeting held during Midterm CME & 8th Jan 2024 and 14 Feb 2024.
10. Discussion on report by a committee of past presidents regarding changes in bye laws.
11. Discussion on the report of the committee to reorient the finances and expenses.
12. Discussion on any bid for Nabicon conference 2027

Minutes of GBM- Secretary Report

EDITION 29

The effective changes are to be put up to the executive body and later in GBM.

Some suggestions:

1. Each past president must hold one burn awareness meeting in a year and attend at least one zonal meeting for prevention and to promote good burn care.
2. Instead of one midterm CME, it would be advisable to have three to four (or even five) zonal meetings for better communication. The target should be young factors, final year students, and medical officers.

Each zonal meeting should be supported by Rs 50 thousand as an advance/seed money (to be returned within 3 months of the event)to prepare properly.

3. Advocacy cell. To be in touch with the government policies and how best to implement themDr Rajiv Ahuja, and office bearers.
4. Definite training program for paramedics. This will be combined with the zonal workshops
5. The executive members should be actively involved in CMEs, paramedic training programs, and above all, increase membership drive (to add five members every year)

Secretary's Report

Approval of the minutes of the last GBM held in Coimbatore on 4th February 2023 which was circulated to all members through newsletter # 28 and posted on NABI website.

Obituary

Padamshree Prof. J.L. Gupta

4th July 1928 - Forever

MS, FRCS, FICS, FAMS Patron, National Academy of Burns, India
Formerly, Professor University of Delhi, Consultant and Head,
Dept. of Burns, Plastic & Maxillofacial Surgery, Safdrajung Hospital, New Delhi

Prof. (Dr.) J L Gupta, was a legendary figure in the field of Burns & Plastic Surgery in the country. He served as the head, Department of Burns, Plastic, Maxillofacial & Surgery, Safdrajung Hospital, New Delhi.

Dr. J.L. Gupta had the honour of starting and developing this department in 1963 and by his sheer hard work and dedication it became a major unit of Burns and Plastic Surgery in India in a very short time. It still is the largest burn centre in India.

The campaign for a National Program for Burns was spearheaded by J L Gupta, and programme was implemented during 12th five year plan of Government of India (2012-17).

He was the recipient of the prestigious Padmshree Award.

His demise is a profound loss to the nation. He was a towering figure and was responsible for the Dawn of Renaissance of burn care in India.

Dr. Gupta will remain a guiding light, an inspiration for all of us and he will live forever in our hearts. He will live in the hearts of every burn professional who toil hard to advance burn care in India. He will live forever in hearts of innumerable burn victims whom he healed with his healing touch.

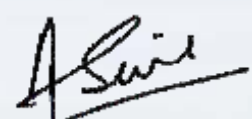

We on the behalf of National Academy of Burns India offer our condolences to his family members and pray to the Almighty for strength and fortitude during this time of profound grief. May his noble soul rest in peace.

Om Shanti

Dr. Sameek Bhattacharya
Secretary
National Academy of Burns India

Dr. (Prof.) Sameek Bhattacharya
Hony. Secretary, NABI

Dr. Anant Sinha
President, NABI

Notable Achievements

• Dr Vinita Puri:

1. President, Asia Pacific Burn Association (2023-2025) - Prof. Vinita Puri took over as President of the Asia Pacific Burn Association at the 14th Asia Pacific Burn Congress (APBC 2023) at Chongqing, China in September 2023. The position is for two years
2. Founder Editorial Board member of the Journal REGENESIS, REPAIR & REHABILITATION which will come up with its first issue during the first quarter of 2024
3. Publication of chapter on "Management of the burnt face and neck" in latest edition of Neligan (5th edition, volume 4) in Oct 2023
4. Organized virtual Symposia on varied topics on Burns for the Asia Pacific Burn Association
5. Conducted four Cadaveric Hands-on workshops in the year 2023 -two Hand transplant workshops, one on face transplant and one flap dissection workshop. Participants were from across the country - Delhi, Chennai, Calcutta, Ahmedabad Mumbai etc
5. Conducted two workshops for MBBS students in the year 2023 - one suturing workshop and another on the Scope of Plastic Surgery. Participants were from medical colleges across the city and state. Both workshops were highly appreciated by the students. The scope of plastic Surgery workshop triggered a lot of interest in Plastic Surgery and one hopes that this will pull in the brightest students towards Plastic Surgery as a career.
6. Established the KEM Tissue bank In collaboration with NOTTO and ROTTO (West) at KEM hospital, Mumbai in Jan 2023
7. Successfully completed a high- altitude trek to Sahasratal in the Uttarakhand Himalayas at 15100 feet in October 2023.

• Dr Smitha Segu:

Nominated as Syndicate member of Rajiv Gandhi University of Health Sciences (RGUHS) last December, does it amount to notable achievements ?

Took over as President of Karnataka Association

• Prof Sameek Bhattacharya :

Become Head of Department, Department of Plastic Surgery, ABVIMS and RML Hospital New Delhi

• Dr R B Ahuja

1. Reached 2000 citations for published work in index journals according to Research gate. Seems to be highest for any Plastic Surgeon from India.
2. Guest of Honour @ 14th Asia Pacific Burn Congress, September 13- 16, Chongqing, China
3. Chairman-Panel discussion on Keloids and Hypertrophic Scars @ Recent Advances in Surgery and Burns Meeting, Ankara, Turkey, October 12-14, 2023.
4. Chairman-Panel discussion on Keloids and Hypertrophic Scars @ 3rd Congress of the Asian Pacific Society for Scar Medicine-11-12th November 2023, Hong Kong

• Dr Sujata Sarabahi

Team leader in formulating National trauma prevention strategies for Burns prevention by Ministry of health and family welfare in Aug September 2022.

NODAL OFFICER FOR preparation for CHEMICAL DISASTER MANAGEMENT for CBRN during G20 Summit

Speaker in NOTTO scientific dialogue 2023 organized by MOHFW

FACULTY and speaker in Kerala emergency medicine summit 2023 which was first international summit on strengthening integrated emergency and trauma care services nominated by MOHFW to talk on emergency management of burns

• Dr P Umar Farooq Baba

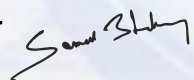

Named as the Top reviewer of the Year (2023) by the PRS Journal at the Annual Plastic Surgery: The Meeting (PSTM), Austin, USA organised by the American Society of Plastic Surgeons (ASPS)

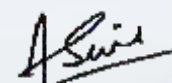

Included in the first ever prestigious "PRS Global Open Reviewer Hall of Fame" of the American Society of Plastic Surgeons (ASPS) on 1st October 2023.

Successfully conducted the Golden Jubilee Year Indian Society of Surgery of the Hand (ISSH) Midterm CME on 5th-6th May 2023 at SKIMS, Srinagar as Organizing Secretary.

Successfully conducted Burn Awareness CME under the aegis of the National Academy of Burns - India (NABI) at SKIMS on 29th November 2023

Participated in the 1st ISSH Training the Trainers (TTT) Course during the 46th Annual Conference of the Indian Society for the Surgery of Hand (ISSHCON 2023) held in Chandigarh on the 9th & 10th September 2023.

Dr. (Prof.) Sameek Bhattacharya
Hony. Secretary, NABI

• Nabicon 2023 Coimbatore

Ganga Hospital was proud to host the NABICON 2023 at Coimbatore from 3rd to 5th February, 2023 at the Ganga Hospital Auditorium. The conference was conducted under the leadership of the President of NABI, Dr. R. K. Srivastava, Organizing Chairman Dr. S. Raja Sabapathy, Organizing Secretary Dr. Sanjai Ramkumar, and Scientific Committee Chairman Dr Raja Shanmuga Krishnan.

The salient feature of the meeting was a live surgical workshop where ten major reconstructive surgeries were demonstrated live to the audience. As the live surgery workshop being held along with a NABICON after a very long time, it was highly appreciated by the all participants. There was no special registration fee for the live surgery workshop. Complex surgeries like Post burn Hand reconstruction, tissue expanders, skin substitutes and LASER was shown live in the meeting.

The total registration of the congress was 232 and it was a great success with good numbers. The Congress was both a academic and financial success with a surplus of Rs. 13,30,300/- transferred to the NABI account.

The Best paper session was contested well by many junior surgeons. This session showed the quality of the work done by many people in India. It was won by Dr Vulchi Sreeramaraju.

The KBBC Quiz was hosted by **Dr Raja Shanmuga Krishnan**.

The first prize was bagged by Dr. Samson Samuel and Shruti Somani from Safdarjung Medical College.

The second prize was won by Dr. Nagamallesh and Dr. Vijay G from Bangalore Medical College.

The third prize was bagged by Dr. Akhila and Nemi Chand from Safdarjung Medical College.

NABICON 2021—22:

The conference account has been closed on 31 st March 2023 and savings of 714656/- has been transferred on 31 st March 2023 and has been transferred to NABI.

• Report of Midterm CME

The NABI Mid-Term CME held at Osmania Medical College on August 4th and 5th, 2023, marked a significant milestone as the first of its kind in the state of Telangana. Plastic surgery team, Osmania medical college along with Plastic surgeons of AP & Telangana State together orchestrated a groundbreaking event, incorporating the innovative Plastiquess session, burn quiz, hands-on ear & nose cartilage carving workshop for the

benefit of postgraduates, video & hands on training program for nurses, MBBS & General surgery Post graduates were the many academic treats offered in the conference under the able guidance of the NABI president himself, Dr. Anant Sinha. Total 500 delegates participated in this event.

Seconded by Dr. Sunil Srivastava

• NABI Website and its maintenance

The website www.thenabi.org is fully functional and timely updated and has all required details including past and current newsletters (published in E format) and sent to all members on their email ids, however can be downloaded from the website as well.

Treasurer Report

- The process of receiving membership fees has been completely digitalized.
- UPI QR code has been generated and flashed on website homepage for payment and the same has been also incorporated in the membership form.
- The charitable status of the association has been renewed on 31st October 2023
- Tried for availing 80G status for our association but in view of no donations received in our book of accounts till date – it has not been granted. A request to all members to try for getting donations so that it may be helpful to persuade the authorities for 80G status.

Membership received: A total of 43 full life memberships and 2 associate life memberships have been received.

Conferences:

- NABICON 2021—22: The conference account has been closed on 31st March 2023 and savings of 714656/- has been transferred on 31st March 2023 and has been transferred to NABI. On behalf of association, I thank the organizing team of Dr Vinta Puri for the savings.
- NABICON 2023: Savings of Rs.1330300/- has been transferred in the end of Aug 2023. On the behalf of association, I thank the organizing team of Dr Raja Sabapathy.

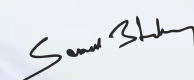

Audit Statement: the audit statement for the FY 2022-23 ending 31st March has been circulated in the newsletter along with Mid Term CME. And the return has been filed.

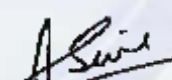

As accounts of the Mid term CME 2022 and NABICON 2023 has passed on this financial year, the audit statement of accounts along with account closure report be sent to the treasurer office at the earliest

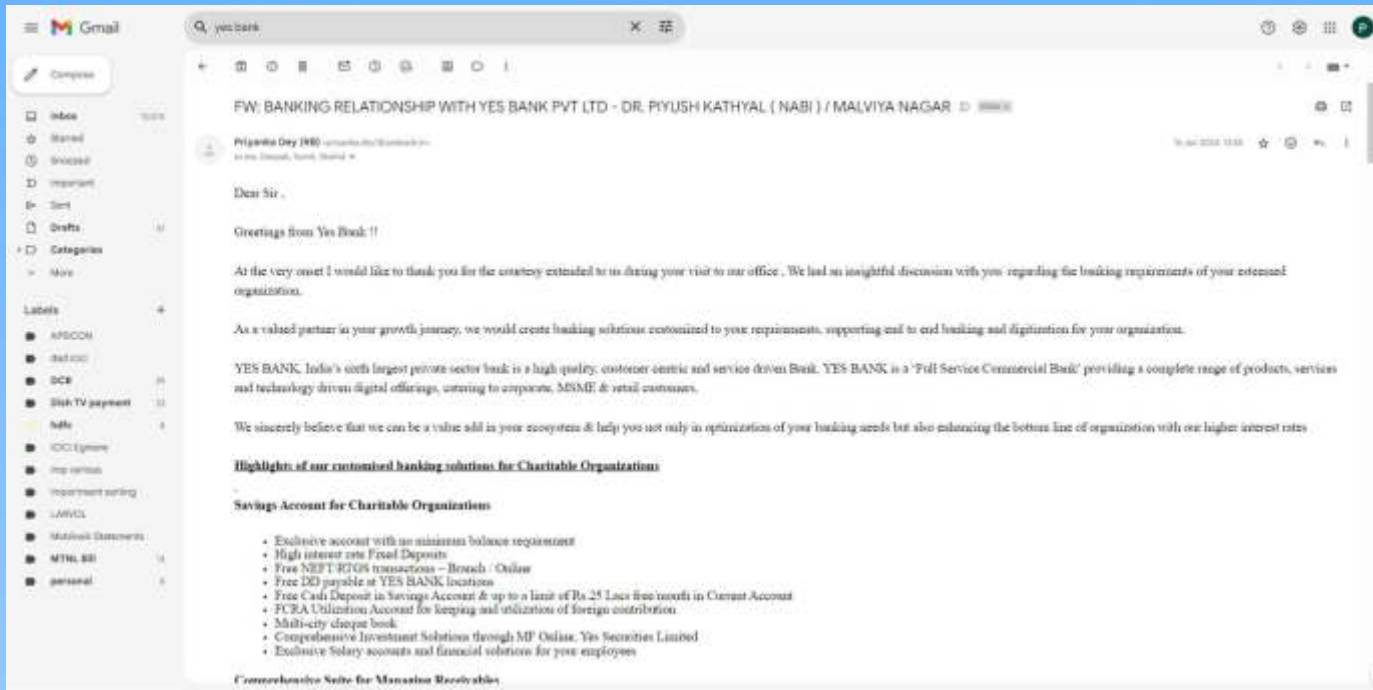

Proposals received regarding account opening from:

1. Yes Bank
2. Fincare Small Finance Bank

Yes Bank Proposal:

Dr. (Prof.) Sameek Bhattacharya
Hony. Secretary, NABI

Dr. Anant Sinha
President, NABI

Daily Balance in the Savings Account (INR)	Applicable Interest Rates (p.a.)
Up to Rs.1 Lac T	3.50%
Above Rs.1 lac fo less than Rs.5 lacs	4.00%
Rs.5 lacs and above to less than Rs. 10 lacs	5.00%
Rs.10 lacs and above to less than Rs.5 Crores	7.00%
Rs.5 Crores and above to less than Rs.25 Crores	6.00%

Period	Regular	
	Interest Rates (%P.A.)*	Annualised Yield^
1 year	7.25%	7.45%
1 year 1 day to < 18 months	7.50%	7.71%
18 month < 24 months	7.75%	7.98%
24 months to < 36 months	7.25%	7.45%
36 months to < 60 months	7.25%	7.45%
60 months	7.25%	7.45%

Other benefits: To open conference/ NABI MIDTERM CME account at zero balance without any problem and subsequent closure under same relationship number.

Issue with Fincare : limited branches, not present at all locations.

Dr. (Prof.) Sameek Bhattacharya
Hony. Secretary, NABI

Dr. Anant Sinha
President, NABI

Problems: Delay in submission of accounts & audited statement.

- (1) The issues are being faced in compilation of accounts and filing GST and TDS returns needs timely receipt of financial statements from the conference/midterm CME and Journal accounts.
- Any payment done as per law needs to be paid after deduction of TDS. And any TDS deducted needs to be submitted into government account within the time frame.
 - Similarly, is the case of GST collected.

Hence the statements and details thereof to be sent on 2nd of next month with regards to TDS/GST in the month collected.

Following resolution is placed for approval:

“It is resolved that tally data/account statement and details of receipt, payment, TDS and GST to be sent to the Treasurer on 2nd of every month by NABICON and Midterm CME org comm, editor and any other sub account

Proposed by: Dr. R. K. Srivastava

Seconded by: Dr. Raghav

- (2) In view of recent changes in income tax laws, the association is required to inform the income tax department about the place of maintenance of books of accounts and other records. As per rules, it has to be at the registered office. Currently, it is maintained by the treasurer. So, a need is to pass a resolution for the purpose of intimation to IT authorities.

Resolution:

“It is hereby resolved that the books of accounts and other financial records shall be maintained by the treasurer and accordingly with the change of treasurer the same will be intimated to the authorities through the association CA”

Currently, it will be maintained by Dr Piyush K Thayal, Treasurer at the address: T-15/1, Second Floor, Malviya Nagar, New Delhi-110017

Proposed by: Dr. Vinita Puri

Seconded by: Dr. Umar

Auditor fees will be increased to Rs 60000 + GST from FY 2023-24

Treasurer report: Proposed Dr Smita and Seconded Dr Sanjay

As mandated by the GB Finance Management Committee (Dr. R. B. Ahuja, Dr. Karoon Agarawal, Dr. Shardendu Sharma, Dr. Sameek Bhattacharya and Dr. Piyush Tayal) was formed, and a finance restructuring proposal was presented by the Secretary.

It was Resolved that the funds marked as Head Quarter Fund will be redesignated as General Contingency Fund.

Proposed: DR VINITA PURI

Seconded: DR PRASANTA BHATTACHARYA

It was Resolved that the funds marked as Mumbai NABICON Research Fund will redesignated as Mumbai NABICON(2007 & 2021-22) International Fellowship

Proposed: Dr Raghav Seconded: Dr Umar

It was Resolved that the funds marked as savings of NABICON 2021-22 will subsumed in Mumbai NABICON (2007 & 2021-22) International Fellowship

Proposed: Dr Raghav, Seconded: Dr Umar

It was Resolved that the funds earmarked as Mrs Phoolan devi Trav. Fellowship will be subsumed in NABI Mrs Phoolan devi Award for Outstanding work in burns

Proposed: Dr Sujata, Seconded: Dr Veena

It was Resolved that Funds not earmarked be designated as General Administrative Fund.

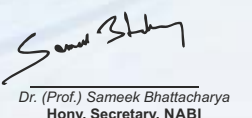

Proposed: Dr Vinita , Seconded: Dr P Laskmi

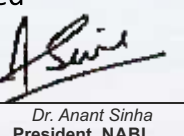

It was Resolved that the funds Rs 1700000 from the savings account will be invested to start a Journal corpus.

Proposed: Dr Prashanta Bhattacharya, Seconded: Dr. Veena Singh

Independent Auditor's Report

To The Members
NATIONAL ACADEMY OF BURNS-INDIA

Report on Financial Statements

We have audited the financial statements of **NATIONAL ACADEMY OF BURNS-INDIA** ("the Trust"), which comprise of the Balance Sheet as at **31st March 2024** and the Statement of Income and Expenditure Account (hereinafter referred to as the Financial Statements) for the year then ended, including a summary of significant accounting policies and other explanatory information.

Responsibilities of Management for the Financial Statements

The Board of Trustees/Executive Committee is responsible for the matters with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Trust, in accordance with the accounting principles generally accepted in India, including the accounting standards specified by ICAI. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Trust and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to express an opinion on these financial statements, based on our audit. We conducted our audit in accordance with the Standards on Auditing as applicable to the Trust. Those standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Trust's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances.

C-1 / 1447, Vasant Kunj, New Delhi - 110 070
Tel : 011-26894330, Mobile : +91 98 110 19 764

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Trustees/Executive Committee, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the relevant information as required, and give a true and fair view in conformity with the accounting principles generally accepted in India :

- a. In the case of Balance Sheet, of the State of Affairs of the Society as at **31st March, 2024**,
- b. In the case of the Statement of Income & Expenditure Account, of its Surplus/Loss of the Society, for the year ended on that date.

Further to our comments as mentioned above, we report as follows :

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- In our opinion, proper books of account as required by law have been kept by the Trust, so far as it appears from our examination of those books.
- The Balance Sheet and the Statement of Income & Expenditure Account and the Statement of Receipts & Payments Account, dealt with by this Report, are in agreement with the books of account.

NABICON 2024
RANCHI, JHARKHAND
15th to 17th February 2024.

NABICON 2025, 13th- 15th February 2025 Ayodhya

NABICON 2024 - A Report

EDITION 29

The 31st National Academy of burns of India conference (NABICON) 2024 was held at Ranchi at the sprawling green lawns of JSCA stadium(Country club resort). We began with a pre-conference dinner on the 14th evening and 15th, 16th, 17th of February of all those activities.

The first day was dedicated to the CME in which each person was given a topic on which he had to present, his or her own way of managing things. This was very well taken by all the all the participants. Later on, on 15th February, we had all the keynote lectures followed by the discussion.

The highlight of the afternoon was that all the junior colleagues were given to talk in the main hall with complete audience in a single hall.

The third day also we had some keynote lectures and there was a very good plastic surgery quiz(Plastiquet) organised by Dr. Palukuri Lakshmi, Dr.Veena Singh and their team and of course Kaun Banega Burn Champion (KBBC) quiz which has organised by Dr.Sanjeev Uppal. Both the programmes were great hits In total we had about 244 registrations which included 40 physiotherapist and about 35 nurses who are involved from all the hospitals close by for the training programme.

We had 4 speakers from the USA and they had some good presentations.

We had a 14-member team from Bangladesh and they had very good presentations to make.

We did fall short of accommodation at the venue and there was a bit of chaos for which I strongly apologize and we ensure that in future nothing of this sort would happen again. Once again thank you all very much for having made this into a very lively one.

We had a rainy first day but it cleared from the next day onwards and things became very nice and we really enjoyed the open air meals and the programmes.

I also thank all my colleagues from the NABI executive and my local colleagues and Jharkhand chapter in Bihar chapter for making it into a huge success. Everybody went home very happy office on the 17th evening.

Thank you all very much. And look forward to Nabicon 2025 at Ayodhya.

Report on NABI ZONAL CPD ON BURNS 2024, at AIIMS Bibinagar, Hyderabad.

Dear esteemed colleagues, Namaskaram.

The prestigious National Academy of Burns India (NABI) Zonal Continuing Professional Development (CPD) program was conducted at All India Institute of Medical Sciences (AIIMS), Bibinagar, on 24th October, 2024 marking a milestone in specialized medical education for healthcare professionals in the field of burn care. This event aimed at elevating the standards of burn treatment, prevention, and rehabilitation. The day-long CPD program included sessions covering advanced techniques in burn management, innovations in skin grafting, wound care, and post-operative rehabilitation.

The program was conducted under able guidance of Dr S.Raja Sabapathy Sir, President of NABI, Director, Ganga Hospital, Coimbatore. The scientific sessions are meticulously drafted to cater the needs of the post graduates and junior faculty by Dr Lakshmi Palukuri maam, HOD- Dept of Burns and Plastic Surgery, Osmania medical college, Executive member of NABI, APSI and Scientific Chairman of the CPD.

The program started with Inauguration ceremony by the dignitaries Dr Vikas Bhatia, Executive Director AIIMS Bibinagar, Dr Abhishek J Arora, Medical Superintendent, Dr Rahul Narang, Dean, AIIMS Bibinagar along with Senior most faculty of the Telangana and Andhra Pradesh.

Many meritorious faculty delivered phenomenal lectures clarifying the doubts of the post graduates and helped to expand their knowledge regarding burns and postburn management. It included Dr S.Raja Sabapathy himself, Dr G V Sudhakar, Dr Lakshmi Palukuri, Dr A Subodh Kumar, Dr Manjula Bai, Dr Siddarth Rao, Dr Bharatendu Swain, Dr Parvathi.R, Dr C.Likhitha Reddy, Dr V Suman babu, Dr Sree Sai Rekha Sukhavas, Dr Santosh Murthy.

A Total 100 delegates participated in the CPD from Osmania Medical college, Gandhi Medical College, NIIMS, ESIC Medical College, AIIMS Bibinagar, Hyderabad. CPD has covered wide array of topics like Post burn hand management, Simultaneous Comprehensive management of Burn wound and Shock in Salvagable Burns (Osmania protocol), Role of Free Flaps in Complex Facial Burn Reconstructions, Application of Tissue Distraction principles in Post Burn

NATIONAL ACADEMY OF BURNS INDIA

Reconstruction, Methylene blue guided depth assessment of Tangential Excision of Burns wound, PBC Neck - SSG vs Flap reconstruction. How to Choose ?, Post Burn Scar Management - Whats New ?, Applications of Hyperbaric Oxygen Therapy in Burns, Management of Electrical and Paediatric burns. Panel discussions emphasized the importance of multidisciplinary approaches in burn management, with insights shared by specialists from surgery, plastic surgery, and physical therapy departments. The event was well-received by attendees, who expressed appreciation for the high-quality content and practical insights gained. Participants left with a renewed commitment to applying the latest techniques and knowledge in their clinical practice, setting the stage for continued excellence in burn management across the healthcare landscape.

Dr Madhubari Vathulya
Additional Professor
Unit chief
Dept of Burns and
Plastic Surgery
AIIMS Rishikesh

Celebrated Patients of courage programe on the occasion of International Burns awareness day on October 16 2024, at the institute of AIIMS Rishikesh by our department of Burns and Plastic Surgery conceptualised by myself. In the event, we felicitated patients who survived burns along with patients who underwent complex reconstructions. A few of these patients performed in the event by rendering songs, poems and some of the pediatric patients also danced in the event.

Guest lecture on Burn prevention and Skin banking was rendered through our guest faculty Prof Vinita Puri. A Mock drill on fire-safety was demonstrated by fire service men. They were also felicitated in addition. A burn Nukkad on different account of types of burns were also enacted by the staff that ended with a summary on the do's and dont's during such mishaps.

A talk by Mrs Praghya Prasun was also presented online where she narrated her story of how she became a victim of acid attack and how she emerged out of iot and started her Atijeevan foundation that caters to teh wellbeing of similar patients. The program also exhibited paintings done ny an artist which were used to raise funds for the foundation.

Faculty In-Charge S & P
AIIMS, Bhubaneswar
Fellow in Hand and Burn Surgery

Selected as Executive Member of ISRM.

Celebrated Plastic Surgery Day on 15th July 2024 in AIIMS Bhubaneswar by felicitating the burn survivors for their courage and recovery, while highlighting the transformative power of plastic surgery in restoring both physical and emotional well-being.

Received an additional funding of Rs 10 crore from the NTPC CSR Fund to further enhance the facilities and provide advanced medical care at the Burn Centre, ensuring better treatment outcomes for burn victims and improving the overall healthcare infrastructure in the region.

The successful organization of OSASICON 2024 in AIIMS, Bhubaneswar witnessed a record-breaking participation of around 450 surgeons from across Odisha, with the event being inaugurated by Hon'ble Member of Parliament Dr. Sambit Patra and Health Minister of Odisha, Dr Mukesh Mahaling marking a significant milestone in the state's medical community.

Visited Royal Adelaide Hospital, Australia, to explore potential collaboration opportunities with AIIMS Bhubaneswar in advancing research and development aimed at improving survival outcomes for burn patients.

BURN CARE AT ROYAL ADELAIDE HOSPITAL

The Burn Centre is established in AIIMS Bhubaneswar, exclusively from the CSR fund (19.87 Crs) by NTPC. The centre was inaugurated on 07th January 2023 by Dr Mansukh Mandaviya, Hon'ble Union Minister of Health & FW, Shri Dharmendra Pradhan, Hon'ble Union Minister of Education & Skill Development, Dr Bharti Pravin Pawar, Hon'ble Union Minister of State of Health & FW..

This Burns centre is a 36 bedded state of the art structure which is well specialized with modern amenities which is well equipped with red zone, green zone, laser room, burn bath, and 2 modular OT.

We have started with 16 ward beds and 5 ICU beds The third floor has provision to accommodate social counselling room, dietician, physiotherapy, Since its inception total 535 patients got admitted out of which 458 patients got discharged and 393 got operated.

CUT FROM HERE

राजस्थान प्रदेश की प्रथम प्लास्टिक सर्जन (M.Ch.), के M.Ch. के पश्चात के स्वर्णिम 50 वर्ष के उपलक्ष्य में जन जागरूकता के लिये समर्पित

“ जल जाने पर प्राथमिक उपचार ”

पर आधारित कविता

“ पानी और आग ”

एक अनूठा संगम

आओ बच्चों तुम्हें सिखाएं, जलने का उपचार आज,
‘ज’ से ‘जल’ है ‘ज’ से ‘जलना’, रखो याद यह ख़ास बात

1. जब जल जाए अंग किसी का, गर्म दूध या चाय से, इन्टपट उस हिस्से पर डालो, सादा पानी ध्यान से जब जल गए हो तो इन्टपट इन्टपट, पानी डालो अरे, पानी डालो भाई, सादा पानी डालो
2. पानी डालो जली त्वचा पर जब तक जलन शांत ना हो जाए, आग और पानी का संगम, मंत्र याद रखना यह हरदम
3. जब जलन शांत हो जाए, तब ढकलो साफ रुमाल से और ले आओ सलाह मशविरा मैडम डाक्टर सा'ब से
4. ठंडा पानी और बरफ है जली त्वचा के जानी दुश्मन, इन दोनों से दूर ही रहना, दूर से करना इन्हें नमन
5. इनके पीछे पीछे आते टूथपेस्ट और स्याही हैं, आटा, तेल, गोबर और माटी भी इनके हमजोली हैं
6. जली त्वचा को दूर ही रखना, इन सब रिश्तेदारों से, जली त्वचा पर वार करें ये छुपे हुए हथियारों से
7. अगर बन गये बड़े फफोले, उनको तुम मत फोड़ना, धीरज रखना, ध्यान से रहना, उनको तुम मत छेड़ना
8. आग से जल कर कपड़े भी गर, चिपक गए हैं जली त्वचा से, चिपके रहने देना उनको, छेड़छाड़ मत करना उनसे
9. याद रखो भाई जले अंग को नही डुबोना पानी में, पानी तो बस डालते रहना लोटे या गिलास से
10. झुलस गए गर बुरी तरह से, तो पानी डालो दस - पांच मिनट और ढक दो सूखी चादर से, एम्बुलेन्स में ले जाओ फिर, बर्न यूनिट में भर्ती करने
11. ‘ज’ से ‘जल’ है ‘ज’ से ‘जलना’, बच्चा बच्चा बोलेगा, जल जाओ तो पानी डालो, हर बच्चा अब बोलेगा जब जल जाओ तो इन्टपट इन्टपट, जले भाग पर पानी डालो जलन शांत होने तक, सादा पानी डालो अरे, पानी डालो भाई, सादा पानी डालो

लेखिका

डॉ. मालती गुप्ता

पूर्व विभागाध्यक्ष, प्लास्टिक सर्जरी एवं बर्न्स
स.मा.सिं. मेडिकल कॉलेज एवं चिकित्सालय, जयपुर

जले हिस्से को पानी में डुबो के नहीं रखना

अगर आप आग की चपेट में आ गए हों तो....

तुरंत वहां से दूर हट कर **रुक जाएं (STOP)**—डर कर भागें नहीं
हो सके तो पानी डालकर आग बुझाएं

और ज़मीन पर
लेट जाएं (DROP)

पूरी तरह आग बुझने तक ज़मीन पर **लोटते रहें (ROLL)**

जलना क्या है

जलना एक चोट या दुर्घटना है जो आग, गर्म तरल पदार्थ, बिजली, गर्म भाप, गर्म धुआँ, गर्म धातु, पटाखे व विस्फोटक सामान आदि कारणों से हो सकती है। जलने से चमड़ी, मांस पेशियां, कोशिकाएं, नसें इत्यादि भी क्षतिग्रस्त हो सकती हैं। जलने से गंभीर पीड़ा के अलावा शारीरिक विकृति, मानसिक एवं भावनात्मक परिणाम भी हो सकते हैं।

जलने के कारण

स्टोव– आमतौर पर स्टोव फटने से व तेल लीक होने से आग लग सकती है।

सिलेण्डर– गैस पाइप के कटे-फटे होने और रेग्युलेटर के ठीक से फिट न होने के कारण गैस सिलेण्डर के फटने से आग लग सकती है।

डिबरी– खाली शीशी/डिब्बी में तेल और बत्ती डालकर घर में बनी डिबरी आग लगने का आम कारण है।

गर्म तरल पदार्थ से जलना– गर्म चाय/उबलता पानी/तेल/दूध/सूप आदि।

गर्म भाप– प्रेशर कुकर की भाप/बायलर से निकलने वाली भाप/भाप लेने वाली मशीन आदि।

बिजली– दोषपूर्ण तार, ढीले कनेक्शन/बिजली के खुले पाइंट या स्विच आदि।

रसायनों के कारण– रसायनिक कारखानों, विद्यालयों की प्रयोगशालाएं आदि।

गर्म धातु– प्रैस/कढ़ाई/पतीला आदि गलती से छूने पर त्वचा जल सकती है।

जलने से बचाव - घर में

स्टोव व गैस के चूल्हे का सही रख-रखाव

- हमेशा आई.एस.आई. मार्क वाले स्टोव/गैस चूल्हा प्रयोग करें।
- गैस सिलेण्डर को हमेशा सीधी स्थिति में खड़ा रखें।
- रबड़ की ट्यूब हर 3 से 4 माह में बदलें।
- ट्यूब का किनारा यदि खराब हो जाए तो उसे काट कर पुनः इस्तेमाल करें।
- गैस के चूल्हे का उपयोग नह हो तो रेगुलेटर बंद रखें।
- गैस के बर्नर की नियमित सफाई करें।

रोशनी के स्थानीय उपकरणों का ध्यान रखें

कभी भी रोशनी के लिए खतरनाक उपकरणों जैसे दीया आदि का प्रयोग न करें क्योंकि इनसे आग लगने का खतरा रहता है।

हमेशा लैम्प, दीया, मोमबत्ती, लालटेन आदि को बच्चों की पहुँच से दूर, ऊँचाई पर रखें।

ज्वलनशील पदार्थ जैसे मिट्टी का तेल, माचिस इत्यादि जलते हुए लैम्प से दूर रखें।

नियमित रूप से लैम्प/लालटेन की सफाई एवं रख-रखाव करें।

हमेशा रोशनी करने वाले सभी उपकरण जैसे लैम्प, दीया आदि को पर्दों से दूर रखें।

जलने से रहें सावधान

कभी भी ढीले-ढाले सिन्थेटिक कपड़े पहन कर खाना न बनाएं एवं चुन्नी/साड़ी के पल्लू को बांधकर ही काम करें।

बिजली के उपकरण जब प्रयोग में न हों तो तारों एवं प्लग को सॉकेट से निकाल कर स्विच को बंद कर दें।

जमीन पर बैठ कर खाना न बनायें हमेशा खाना बनाने का स्टोव प्लेटफार्म पर रख कर ही खाना बनाएँ।

जलते हुए स्टोव में कभी भी तेल न भरें। बत्ती वाले स्टोव की सभी बत्तियाँ बराबर रखें। स्टोव के उपयोग संबंधित निर्देशों का पालन अवश्य करें।

नहाने के पानी का उपयोग तापमान जांच कर करें, विशेषकर बच्चों के लिए खास ध्यान रखें।

मिट्टी का तेल, माचिस, विस्फोटक पदार्थ आदि बच्चों की पहुंच से दूर रखें।

एसिड से जलने पर घबराएं नह

एसिड/केमिकल से प्रभावित हिस्से पर तुरंत सादा पानी डालें। ध्यान रहे पानी की धार तेज़ न हो

या

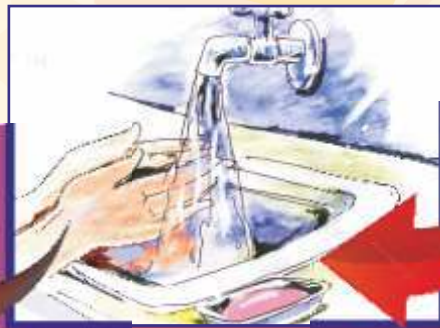

हो सके तो पानी डालने से पहले एसिड से प्रभावित कपड़े, गहनें को दस्ताने या साफ कपड़े आदि से हटा दें

ऊपर दिखाई गई प्रक्रिया को 10 से 20 मिनट तक या जलन शांत होने तक करते रहें

पीड़ित को नज़दीकी स्वास्थ्य केन्द्र में तुरंत ले जाएं

पीड़ित की देखभाल के बाद अपने हाथ अच्छे से धो लें

जले हुए हिस्से को साफ कपड़े से ढीला लपेट दें

हमेशा ध्यान रखें कि एसिड/केमिकल प्रभावित हिस्से से बहता पानी आपके शरीर या पीड़ित के अप्रभावित हिस्से पर न गिरे

जलने से बचाव - घर से बाहर

हाईटेंशन एवं स्ट्रीट लाईट की तारों से छेड़छाड़ न करें।

वैल्डिंग का कार्य करने वालों को उपयुक्त दस्ताने व काले चश्में का उपयोग करना चाहिए ताकि हाथों व आंखों को जलने से बचाया जा सके।

लघु उद्योगों के कर्मचारियों को रसायनों का प्रयोग करते समय रसायन से बचने वाले दस्ताने, ऐप्रन, रबर बूट व चश्में का प्रयोग करना चाहिए।

जलने से बचाव - त्यौहारों व समारोहों पर

क्या करें

- पटाखे केवल घर से दूर खुले में ही चलाएं।
- पटाखे उच्च स्तर के एवं अधिकृत दुकानों से ही खरीदें।
- एक समय पर केवल एक ही पटाखा जलाएं व उचित दूरी से ही देखें।
- पटाखे चलाते समय दो बाल्टी पानी/रेत हमेशा नज़दीक ही रखें।
- बच्चे हमेशा बड़ों की देख-रेख में ही पटाखे जलाएं।

क्या न करें

- ❌ घर के अंदर कभी भी पटाखे न जलाएं।
- ❌ पटाखे कभी भी हाथ में पकड़ कर न जलाएं।
- ❌ जलते हुए पटाखे पर कभी भी न झुकें।
- ❌ कभी भी अधजले या न जले पटाखे को न छुएं।
- ❌ छोटे बच्चों को पटाखे न जलाने दें।
- ❌ पटाखे दूसरे लोगों की ओर करके कभी न जलाएं।
- ❌ संकरी गलियों में कभी भी पटाखे न जलाएं।

अगर आप आग की चपेट में आ जाएँ तो

तुरंत वहां से दूर हट कर **रुक जाएं (STOP)**
-डर कर भागें नह
हो सके तो पानी डालकर आग बुझाएं

और ज़मीन पर
लेट जाएं (DROP)

परी तरह आग बझने तक ज़मीन पर **लोटते रहें (ROLL)**

जलने पर प्राथमिक चिकित्सा

शरीर के जले
हुए हिस्से
पर, लगातार
सादा पानी
डालते रहें

या

जले हुए हिस्से को
सादे पानी में
डुबो कर रखें

या

शरीर के जले
हुए हिस्से पर
साफ कपड़े को
पानी में भिगो कर
बार बार
लगाते रहें

ऊपर दिखाई गई प्रक्रिया को कम से कम 10 से 15 मिनट
या जलन शांत होने तक करते रहें

फफोलों को कभी न फोड़ें

जले हुए हिस्से पर किसी
प्रकार की दूध पेस्ट / क्रीम /
मरहम / स्याही / आलू का पेस्ट /
हल्दी आदी का प्रयोग न करें

जले हुए हिस्से को गंदे
कपड़े से न ढकें / न बांधें

जले हुए हिस्से को साफ कपड़े से ढककर
डाक्टर को दिखायें

जलने से बचाव
